Dear Mrs. Kelly

The following is in response to your letter dated, January 15, 2002, in which you require us to review the report referenced above.

The questions raised in the preliminary review of the reports are corrected and/or answered as follows:

1. All future reports will be filed in the new FEC Form 3 version and the election cycle-to-date figures will be used when reporting aggregate amounts.
2. The discrepancy regarding Encuentro Visión's debt was corrected with an amendment made to the April Quarterly Report and as was explained in our letter dated January 23.
3. The discrepancy between the beginning and closing balance on Video Visión's debt was corrected with an amendment made to the April Quarterly Report as was explained in our letter dated January 23.
4. Regarding Centennial de Puerto Rico's debt, there seems to be no discrepancy between the beginning and closing balance due to that fact that in page 14/19 of the January 31 Year End Report (10/1/00-12/31/00) the "Outstanding Balance at Close of this Period" was reported as \$3016.29, which coincides with the Mid-Year Report's (1/01/01 - 6/30/01) "Outstanding Beginning Balance of this Period".
